7 Days Villa Bossoncina

One week at Villa Bossoncina with 4 bedrooms and 4 baths. Less than two kilometers from Montepulciano, a charming Renaissance borgo, one of the many which enliven the province of Siena, standing on the crest of a hill between the flourishing Valdichiana and the unique Val d'Orcia, with its art masterpieces and its internationally famous culinary excellences. This farmhouse, clad in stone and dating back to the 19th century, has been given new life as an elegant Tuscan country villa, and is distinguished by the quality of the renovation work in which the style of the past, characterized by the high quality of the renovation work seen in the authentic materials of the local artisan tradition, blends with details of modern and functional design, creating an elegant casual atmosphere. Indoors, fine antique furniture characterizes the spacious bedrooms, each with private bathroom; the common areas, the fully-equipped kitchen and the living area are connected opening directly

onto the garden. The view is magnificent; the garden and the pool overlook the lovely scenery of the vibrant Valdichiana, with all the changing colors from sunrise to sunset, a view that ensures total relaxation. The location is ideal for exploring an area rich in culture from the surrounding villages like Pienza, Montalcino and Cortona to the famous towns of Umbria (Assisi, Orvieto and Perugia) and northern Lazio. Finally, not to be missed is a visit to the extraordinary spa resorts close by (Montepulciano, San Casciano dei Bagni, Bagno Vignoni and Chianciano), to soak in the healing and rejuvenating waters.

**2002 Grand Vin De Chateau
Latour**

**96 pts. Robert Parker's The Wine
Advocate: April, 2005**

There are only 10,000 cases of this extraordinarily rich, dense 2002 that is as powerful as the 2003 (even the alcohol levels are nearly the same, 12.85%). It is dark ruby/purple to the rim, with notes of English walnuts, crushed rocks, black currants, and forest floor, dense, full-bodied, and opulent, yet classic with spectacular aromatics, marvelous purity, and a full-bodied finish that lasts just over 50+ seconds. Huge richness and the sweetness of the tannin are somewhat deceptive as this wine seems set for a long life.

Administrator Frederic Engerer seems to be more pleased with what Latour achieved in 2002 than in any other recent vintage. Hats off to him for an extraordinary accomplishment in a vintage that wouldn't have been expected to produce the raw materials to achieve something at this level of quality. Anticipated

maturity: 2012 to 2045. This bottle was stored properly by a wine collector.
