

SECONDS TO GO

A Rummage Sale

Dear Members,

The rummage sale warehouse is open and ready to be filled!

This letter is to give you a few guidelines and schedules for deliveries. Listed below are zip codes with members' names who have volunteered to be a drop-off site for your donations. This is a convenience for members who have small and not too heavy loads otherwise I ask that you deliver to the warehouse located at 2839 Blystone Lane, Dallas. The warehouse will be open the second Friday of each month from 10:00AM till 2:00PM. If you have heavy furniture other arrangements can be made for pick-up and delivery to the warehouse. This will be done on an 'as needed' basis and only once a month. A map to the warehouse is included in this email.

Clothing donations must be clean and in good shape, please no torn, broken zippers or otherwise not wearable items. We would like clothing on hangers if possible. Please sort your items as best you can (i.e. household, toys, sports, books, electronics, etc.). If you donate small appliances, electronics or any plug-ins they must work and instruction booklets would be good if available.

We will accept just about anything if it is re-saleable. We hope to target a very large customer base and need merchandise from low-end to high-end. We plan to have a boutique area for the really, really good stuff. As the holiday season approaches please save your paper shopping bags, these will be collected at the NWC General Meetings by Nancy Simpson.

We cannot accept mattresses and all baby items must be in compliance with code.
